COLLECT A STORY

1. **Discuss:** *What is belonging? What does it feel like to belong? To not belong? Why is it important to feel a sense of belonging?*
2. Ask the interviewee to think of **a place in Albuquerque** where you feel or have felt a sense of belonging. Perhaps there is a place where you thought to yourself: *"I belong here," "This is my community,"* or *"This is where I feel most at home."* **Describe** that place.

3. Ask: What gave you that feeling of belonging? If from people, who are they? How do they contribute to your feeling of belonging? If from an ongoing activity, what was it, when does it happen? If from a past event, what was it, when was it? If from a place, what makes that place special? Describe.
