Sneak more letters.
Save the economy.

Write it all down.
Feel all the feels.
Stand in it.

Find a breeze.

Take the very best.
Write out loud.

Are we here together? Any time. We are all here together.

Never heard before.
Something new.

Someone is telling.

Talk about things.

Make it happen.
Let's do it.

Are you alone?

How to have a memory.
