

Working Classroom

Vague Descriptions

Steps

1. In a group of ppl, have one person out of the group be the "Describer" and have the rest be "Drawers".
2. The "Describer" will use descriptive words without using too much detail.
3. The "Drawers" will use the words as a frame to create drawings.
4. The outcome will be original drawings and show the different interpretations from the Vague Descriptions.
